## AGED CARE SUPPORT

**Our friendly pastoral practitioners and chaplains are here to support you. We listen to your personal story and offer compassionate support to guide you through a range of emotions and experiences. We're also here for your family and friends.**

**We provide support for a diverse range of religious, spiritual and pastoral needs.**

**Speaking with us can help when you're:**

- Moving into an aged care home
- Feeling anxious or lonely
- Experiencing grief or loss
- Moving into palliative care
- Wanting to arrange a visit from someone particular to your faith-based or religious needs
- Simply looking for a chat

We respect everyone's confidentiality and privacy at all times.

**If you would like to talk with one of our pastoral practitioners or chaplains, simply ask a staff member at your site and they will organise this for you.**
