# WINTER WOOLIES

Wear your favourite winter woolies to work or school and help raise much-needed funds to support local families doing it tough.

## HOW IT WORKS

**Choose your favourite wintry clothes or accessories.**

Go simple by throwing on a pair of slippers, scarf or a beanie - or go all out and dress head to toe in snuggly clothing!

**Bring a donation for UnitingSA's Winter Appeal.**

You could also ask your friends and family to contribute to the cause. All donations will support UnitingSA's Emergency Relief and Homelessness Services.

**Enjoy a day at work or school being comfy for a cause.**

Your efforts will help make winter more comfortable for others by helping provide food, warmth and shelter where it's needed most.
