Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

Approach to care management		The fee set out under represents the costs associated with undertaking a full client care plan review at least annually. Some consumers may require additional or more frequent care plan reviews which may be charged at cost. In addition, consumers may be charged (at cost) for other requests including arranging for the provision of additional services, or for changes to a permanent roster.
