

UNITINGSA WEST LAKES

CHOOSE THE WAY YOU LIVE

UnitingSA West Lakes offers a vibrant place to live and visit, with high-quality care and accommodation, along with a cafe, tranquil gardens, balcony terraces and so much more. Our generously sized rooms with private ensembles feature premium furnishings and take in stunning views of the nearby oval and lake.

Life at UnitingSA West Lakes

- As a UnitingSA West Lakes resident you will be at the heart of a vibrant new community in a sought after coastal suburb.
- Ground floor retail outlets, including a café, hair salon and shops, will invite the wider community to come in and enjoy the services, while making it easy for you to get out amongst the action.
- You will be just a brief stroll from gorgeous waterways and the new Charles Street precinct, offering a mix of eateries, boutique shops, and a new \$20 million library.
- An onsite chef-led kitchen will prepare fresh and tasty meals that fulfil all nutritional requirements.
- Abundant indoor and outdoor recreation areas, including light-filled lounges and balcony terraces, will provide the ideal setting to relax or enjoy the company of others.
- Importantly, you will have access to expert care around the clock and state-of-the-art facilities.
- An 18-bed memory support unit will provide specialist care for people living with dementia.
- A leisure program, designed to match your pace and preferences, will offer a range of lifestyle activities and outings.
- Our program will include exercise, concerts, shopping, karaoke, bingo, craft, indoor bowls and golf, relaxation, bus trips and so much more.

Caring for you

Our care isn't just about bricks and mortar. It's about people. In fact, our organisation has been caring for South Australians since 1919.

As a UnitingSA West Lakes resident, you'll have a dedicated care team with access to a registered nurse 24 hours a day, and allied health professionals, including physiotherapists, podiatrists and dietitians.

You'll also have access to a Nurse Practitioner with specialist skills to support residents with a range of complex needs, such as wound management, continence and palliative care.

We offer specialised holistic programs to meet physical and cognitive needs.

Activities may include:

Aromatherapy

Music Therapy

Pet Therapy

Dementia-Specific Programs
