Caring for you

In addition to ongoing accommodation, our Group Home offers low-level support for people seeking short-term respite.

For those requiring greater support, such as with personal and health care, additional services can be arranged through our Community Aged Care program.

Our Community Aged Care program offers skilled carers you know and trust, an after-hours on-call service and decades of experience.

In fact, our organisation has been caring for South Australians since 1919.

Simply go about your life as you would in your own home, but with that little extra support.

NEIGHBORHOOD GROUP HOME

Manly Circuit, West Lakes Shore

UnitingSA's Group Home is your chance to join a close-knit community of like-minded people in a friendly and supportive setting.

The combination of private ensuite rooms with kitchenette, and communal living areas provides the perfect mix of independence and company.

We also offer the option of privately-funded respite to provide support services for a short period of time.

You can access respite care for a week, a fortnight, or a month - depending on your needs.

Respite can support you and your carer by giving you both a break. It also gives you and your carer the time and space to do things independently.

Respite care can be planned in advance; for instance, if your carer is planning a holiday. It is also available in emergencies; for example, if your carer has an unplanned hospital stay.

ACCOMMODATION FEES

Cost p/day	Cost p/week	Cost p/fortnight

Please note, for respite stays a minimum stay of one week applies, as well as a maximum of four weeks. An extension can be negotiated on a case-by-case basis. The price is inclusive of meals. Laundry services attract an additional fee. As UnitingSA's Group Home offers private respite, it is not subject to government assistance.
