

**MENTAL HEALTH SERVICES**

# GP ACCESS PROGRAM

One-on-one support to help  
manage your mental health

# **GP Access** is a free rehabilitation and recovery support service for people living with a mental illness who see a **General Practitioner (GP)** for their clinical needs.

### How can we help?

We provide tailored, one-on-one psychosocial supports in your own home and local community. We can help you to:

- Develop and work towards a recovery and wellness plan
- Apply for or maintain suitable housing
- Develop life skills and a daily routine
- Get involved in social, recreational or educational activities
- Build skills and confidence to participate in your community

### Who can we help?

We can help you if you live in the Western or Southern metropolitan area and have a referral from a GP or Government Mental Health Service worker.

### Who are we?

Our **Mental Health Services** are here to help you manage your recovery, live independently and stay healthy.

This service is run by UnitingSA — a not-for-profit organisation all about respect, compassion and justice.

With a long and proud history of building stronger communities, our can-do attitude is dedicated to supporting South Australians.

### Want to know more?

Give us a call on **(08) 8440 2217**.

We're here Mon - Fri, 9am to 5pm.
