Costs relating to exit amounts are not GST-free. For further information, please see the provider's full price list or contact the home care provider (details included below).

Provider Information about Service Delivery and Pricing

UnitingSA (formerly Uniting Care Wesley Pt Adelaide) Community Aged Care has provided community and aged care services across the Western Adelaide region for over 100 years. The organisation has provided home care for in excess of 10 years through delivering services with its own support worker staff. Community Aged Care engages fully qualified and experienced staff to deliver its services and can access additional specialist services through preferred allied health professionals. In addition to home care UnitingSA Community Aged Care manages a Transitional Care Program (TCP) and can support consumers through the Commonwealth Home Support Program (CHSP). Community Aged Care can deliver a comprehensive range of home support services including domestic and personal care, nursing, transport, shopping, meal preparation and social support. As part of UnitingSA, Community Aged Care operates within policies and procedures that ensure all consumers receive a high quality and safe service that addresses their individual needs

Care Management

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan. Every Home Care Package, including those being self-managed will require some level of care management.

Approach to care management	The fee set out under represents the costs associated with undertaking a full client care plan review at least annually. Some consumers may require additional or more frequent care plan reviews which may be charged at cost. In addition, consumers may be charged (at cost) for other requests including arranging for the provision of additional services, or for changes to a permanent roster.
