LOW-LEVEL RESPITE CARE

Manly Circuit, West Lakes Shore

UnitingSA's Group Home offers the option of privately-funded, low-level respite for people seeking short-term support.

Respite can support you and your carer by giving you both a break. It can also give you both the time and space to do things independently.

Respite care can be planned in advance, for instance, if your carer is planning a holiday. It is also available in emergencies, for example, if your carer has an unplanned hospital stay.

You can access low-level respite care at UnitingSA's Group Home for a week, a fortnight, or a month - depending on your needs.

If you require a higher level of assistance, we can arrange additional services to be delivered to you through our Community Aged Care program.

Alternatively, you can receive support in our home through your existing Home Care provider.

ACCOMMODATION FEES

Cost p/day	Cost p/week	Cost p/fortnight
\$54.69	\$382.83	\$765.66

Please note, for respite stays a minimum stay of one week applies, as well as a maximum of four weeks. An extension can be negotiated on a case-by-case basis. The price is inclusive of meals. Laundry services attract an additional fee. As UnitingSA's Group Home offers private respite, it is not subject to government assistance.

Our Group Home is your chance to join a close-knit community of like-minded people in a friendly and supportive setting.
