

How can you secure a unit?

All UnitingSA retirement living units have an affordable, one-off 'entry contribution' that enables you to live in a unit until you decide to leave, or for the rest of your life.

This payment amount varies among units. There is also an affordable fortnightly rent and maintenance fee for the duration of your tenancy.

This fee covers your council rates, building insurance, major home repairs, and general building and grounds maintenance. An emergency after-hours maintenance service is also available.

We give you a choice of residential aged care, retirement living, home care and respite so you continue to choose the way you live.
